

# NOTICE

## Service Charge Effective January 1, 2010

Annual Open Burning Permits shall now be subject to a **\$10 issuing fee (tax included)**

A **\$50 service charge** shall be applied to any person that is the subject of a burning complaint investigation for causing an open fire if they have not obtained **and/or** activated a current burn permit.

A **\$376 per hour, per fire truck service charge** shall be applied against any person that is the subject of a complaint for causing an open fire if they have not obtained **and/or** activated a current burn permit and causes a fire department response to extinguish the fire.

All existing fines apply as before including:

- Burning without a permit
- Burning unauthorized materials
- Burning during a fire ban

Reference By-Law #2009-185

**Thank You for your co-operation!**
